**Contest rules/info:**

- Must be 18 years of age or older to enter.
- Do not apply if you are a previous Miss NE Cup or Miss Eagle Raceway Winner.
- Must be willing to partake in numerous events to promote Eagle Raceway. These events include car shows, autograph sessions, trophy presenting, intermission activities etc. (Free gate admission for those signed up to help with weekly events). The only required dates are Saturday, September 5th for the judging session and Sunday, September 6th for the crowning ceremony. (Rain Date: Monday, September 7th). We will also figure out a date that everyone is available for a photo shoot at the beginning of the season.
- The Miss Eagle Raceway finalists will be scored during a judging session. Overall scores consist of these categories: participation (20%), submitted bio (10%), photos (10%), and interview (personality (20%), appearance/presence(10%), and answers(20%) all play a role). The judging session will have a panel of non-biased judges both male and female. Also, the Sprint Car drivers will be present during the driver's luncheon/judging and cast their votes. (Driver votes only count for 10% of the final score)
- The 12 finalists will be provided with an Eagle Raceway promotional top and sash. It will be the finalist's responsibility to pair the top with appropriate shorts/jeans as instructed by the Miss Eagle Raceway Contest Coordinators. This is the outfit that each finalist will wear while representing Eagle Raceway during promotional events. For the photo shoot and crowning ceremony, each finalist will be required to choose a tastefully appropriate black cocktail style dress. And for the judging session each contestant should choose any dress that represents their style.
- Miss Eagle Raceway contestants should be good role models. You may be ejected from the contest if you misrepresent Eagle Raceway or display inappropriate behavior while wearing your sash or promotional top.

Entries will be accepted until May 11th, 2020 at 11:59 PM. Finalists will be contacted and posted on our website and Eagle Raceway Facebook page on or before May 15th, 2020.
